Vision 3 Architects and New England Construction Complete Slade's Ferry Bank Branch

Providence, RI (March 29, 2005): Slade's Ferry Bank, headquartered in Somerset, MA, has opened a new branch in Assonet, Massachusetts. The branch was designed and built by the team of Vision 3 Architects and New England Construction.

The design-build team was asked by Slades' Ferry Bank to develop a new interior concept for their Assonet branch. This branch will be the first to use the concept that features a contemporary interior design to create a new look and feel for Slade's Ferry's Customers. The National trend of financial institutions in recent years has been towards designs with more retail appeal.

Founded in 1985, New England Construction strives to create value for its' customers on every project. The company is a comprehensive Design-Build Firm offering cost effective solutions to Banks, Commercial Buildings, Automobile Dealerships, Corporate Offices, Retail Shops, Restaurants as well as Medical Facilities, and Churches throughout Massachusetts, Rhode Island,
