New England Construction Completes Construction On Drive USA In Providence, RI

Providence, RI (April 25, 2005): New England Construction announced today that it has completed Drive USA located on Elmwood Avenue in Providence, Rhode Island. We have given the original building's interior and exterior facade a complete facelift. The new dealership will total 14,000 S.F. and include 7,000 S.F interior showroom space, a new service area in the rear of the building and offices on the second floor. Drive USA is a used automobile dealership that guarantees financing to all their customers. The new design is a concept that will be used for all Drive USA dealerships. Along with the Providence, RI dealership, there are new dealerships underway in Worcester and Springfield, MA.

Founded in 1985, New England Construction strives to create value for its' customers on every project. The company is a comprehensive Design-Build Firm offering cost effective solutions to Auto Dealerships, Commercial Buildings, Banks, Corporate Offices, Retail Shops, Restaurants as well as Medical Facilities, and Churches throughout Massachusetts, Rhode Island, New Hampshire and Connecticut.
