FERNANDO RODRIGUES

V.P. ESTIMATING AND PRECONSTRUCTION

ROLE DEFINITION

- Provide executive oversight of estimating and preconstruction across the entire design-build project process.
- Direct cost assessment, pricing strategy, and risk management specific to the design-build project delivery model.
- Lead and coordinate the estimating and preconstruction team through GMP development and design-phase cost tracking.
- Partner with design-build team, overseeing estimating efforts with evolving design and client expectations.
- Oversee subcontractor prequalification and risk management process of vetting trade partners.

RELEVANT EXPERIENCE

THE DAY MULTI-UNIT-NEW LONDON, CT

\$19,000,000

Led and oversaw the full preconstruction and estimating efforts for the upcoming adaptive reuse project conversion of an existing office space into a multi-unit residential complex.

DEXTER STREET COMMONS-PAWTUCKET, RI

\$40,000,000

Led and oversaw full preconstruction and estimating efforts for the new construction of the 150 unit multi-unit project.

BRYANT UNIVERSITY-SMITHFIELD, RI

\$4,074,000

Managed the estimating, budgeting and preconstruction of the dormitory renovations and utilities upgrades.

ONE CIRCLE-NEW BEDFORD, MA

\$14,000,000

Provided executive leadership and managed the estimating, budgeting and preconstruction of ground up construction project consisting of 44 residential units.

MERRIAM SHOPPING CENTER-MILFORD, CT

\$14,000,000

Provided executive leadership and managed the estimating, budgeting and preconstruction of the ground up construction retail plaza.

CONCOURSE PARK

Provided executive leadership of the preconstruction services for the 309 unit 19 building ground up residential complex.

DANIEL LOURIERO

SENIOR PRECONSTRUCTION MANAGER

.....

ROLE DEFINITION

- Lead and manage the preconstruction process across all projects from initial pursuit through final handoff to construction.
- Develop and maintain the Master Preconstruction Project Schedule, integrating design, estimating, procurement and permitting milestones.
- Oversee the operational transition from estimating/preconstruction to construction, ensuring continuity of scope, budget and schedule.
- Coordinate closely with design teams and estimators to align evolving design with cost, schedule, and constructability targets.
- Serve as key client-facing liaison during preconstruction, managing expectations and communication through project pursuit, design and buyout.

RELEVANT EXPERIENCE

RUMFORD CENTER PHASE II

\$11,300,000

Member of the project management team for the second phase new construction of 80 unit multi-unit project.

BRYANT UNIVERSITY-SMITHFIELD, RI

Various Sizes

Member of the project management team executing the renovations and building upgrade projects for Bryant University summer slammer programs.

NEWBURY COURT-CONCORD, MA

\$1,600,000

Project managed the interior renovation of an existing dining hall and kitchen located within an occupied retirement facility

THE FRONTIER & THE DAY

\$10,000,000 & \$19,000,000

Leading preconstruction services for the upcoming adaptive reuse project conversion of an existing office space into a multi-unit residential complex.

MERRIAM SHOPPING CENTER-MILFORD, CT

\$14,000,000

Managed and lead the preconstruction services for the ground up retail plaza project.

CELEBRATING 40 YEARS

EXECUTIVE SUMMARY

.....

As Senior Preconstruction Manager, Daniel plays a vital role in overseeing and coordinating all aspects of the preconstruction process. He leads many of our preconstruction efforts, working closely with clients to ensure alignment on project goals, budgets, and timelines from the very beginning. Daniel also helps facilitate seamless project startups and handovers, serving as a key liaison between Operations, Estimating, and Finance. With a strong focus on early-phase planning and collaboration, his leadership helps lay a solid foundation to set each project up for long-term success.

QUALIFICATIONS SUMMARY

.....

Daniel brings more than 10 years of experience managing commercial projects. Daniel rejoined NEC in 2025.
